Resource 5: Where Do You Stand?

Industrial Change Opinion Line

Strongly disagree — Disagree — Neutral — Agree — **Strongly agree**

1. The closure of BHP was ultimately good for Newcastle.
2. Creating new jobs is more important than protecting existing jobs.
3. A community can become wealthier without its residents becoming happier.
4. New employment opportunities can make up for the loss of industrial jobs.
5. Newcastle's redevelopment has benefited everyone equally.
6. Having a job is important for more than just earning money.
7. Protecting the environment is more important than protecting industrial jobs.
8. Workers should be expected to retrain when their industry declines.
9. A city can be economically successful even if some residents are unemployed.
10. The government has a responsibility to support workers who lose their jobs because of industrial change.
